Author

2. The RAEME Corps Grace was written by Warrant Officer Class Two Gordon Dennis in 1987, while he was serving with the 4th Base Workshop Battalion. The Corps Committee gratefully acknowledges Warrant Officer Dennis' contribution. The Grace reflects and supports the ideals of the Corps.

The Corps Grace

Our Father God, we who are gathered together this night, with our Banner in our midst, pledge again our honour of God, Queen and Country. We give our thanks for the bounteous gifts that you have bestowed upon us and ask your blessings on our fellowship, comradeship and this meal about to be set before us. In Jesus name, Amen

3. Speakers may delete the words 'with our Banner in our midst' if appropriate.

Use of the Corps Grace

4. The Corps Grace was first used to celebrate the establishment of the RAEME Corps Sergeants Mess at the Army Logistic Training Centre. All RAEME dinners and events are encouraged to use the Corps Grace at appropriate RAEME functions. The Grace includes a format for functions with the and without the Corps Banner.
